

Services for Young Children

Tick aware

For the attention of all Childcare providers, parents and families.

Reminder that at this time of year if we are taking children out doors more than usual please be mindful of ticks and tick aware.

You could be exposed to ticks if you visit woodlands, grassland and any parks or gardens. Settings need to ensure that they check children for ticks when visiting the outside.

The following link contains a leaflet that covers all aspects of being tick aware and what to do if you notice a tick on a child or yourself.
